This will be in conjunction with the Utah Division of Wildlife
Resources and the Manti-LaSal National Forest.

Poles will be available for children to use. Coffee or hot
chocolate and donuts will be served.

CARBON REC OUTDOOR TOURS

This is the year you must see Range Creek.

Range Creek has been referred to as "The Secret Canyon." It has been the
subject of documentaries on Scientific American, KUED Television, and Time
Team America. Stories have appeared in numerous magazines like National
Geographic and Smithsonian.

9-Mile Canyon has been called the longest art gallery in the world. Some of
the most famous petroglyphs on Earth are found here.

These canyons were the home of the Fremont Indian culture for over a
thousand years. They mysteriously disappeared about 800 years ago, leaving
behind innumerable clues to their rich history.

Tucked away in an isolated canyon in Eastern Utah, Range Creek Canyon
was virtually unknown to the world for 100 years. In 2003 the owners sold the
property to the state of Utah. The canyon is now managed by the University of
Utah Museum of Natural History.

The San Rafael Swell is filled with mysteries to explore, some that date
back thousands of years.

Carbon Rec has been doing tours in 9-Mile Canyon and the San Rafael Swell
for 20 years and initiated tours in Range Creek Canyon nine years ago.

You will travel in air-conditioned vehicles from Price. Layne Miller and/or
Juanita McEvoy will be your guide(s) on this remarkable journey through time.
Together they have over 30 years of guiding experience. Their many stories add
significantly to your experience.

I have these medical conditions that may affect my ability to participate safely in this activity
(all medical conditions must be disclosed):

I am currently taking these medications:

By signing this agreement, the participant and legal guardian(s) agree to the following terms:

1. You are responsible for your own safety. Do not do anything you do not accept full personal responsibility for doing.
2. To immediately obey instructions of guides, instructors, and program directors. This if for your own safety.
3. Some recreation activities are potentially dangerous. Injury or even death may occur, even though all precautions are taken.
4. All participants must seek health advice from a medical professional before engaging in vigorous activities. Failure to do so could result in serious injury. Carbon County Recreation is not responsible for people pushing themselves beyond their physical ability.

I understand vehicle travel is one of the most dangerous activities a person can be involved in. I understand accidents occur and people are injured due to accidents. It is a fact of life. I recognize it and hold no one responsible while I am riding in a Carbon County vehicle, regardless who is responsible for the accident.

Acknowledgement of risk and liability release

The philosophy of Carbon Rec 636-3702

The mission of Carbon Rec is to provide recreation and lifelong learning opportunities to every resident of the county.

We attempt to keep costs as low as possible in all programs. Thanks to the County Commission and Carbon School District fees are half that of many other communities.

People who are involved in wholesome recreational activities are happier and better adjusted than people who are not. We do not give cash prizes nor banquets. Prizes for league champions are modest. Participation and fun is always our emphasis, not winning.

Our goal is to exceed the expectations of every participant in every program. While that is not always possible, that is always our goal. If we come up short, we want to hear from you. While complaining does no one any good, constructive criticism can be productive and is always welcome.

While we expect everyone to contribute, we will never turn a child away from any of our programs for inability to pay. If you can't afford a program for your child, ask us. We may be able to help.

We are always looking to broaden our offerings. It is our pledge to offer anything that fits within our mission and that the community will support. If you want to do something, call us. If you have a talent you would like to share with the community, call us. We are always open to new ideas.

ACTIVE RE-ENTRY 637-4950

NOV. 27 - TURKEY TROT - S MERRELL 613-7894

The Boys and Girls Club of Carbon County is excited to offer a summer program for the area's teens! For details, please contact Josie or Kelsey at The Club by phone 435-637-6066 or by email bagccc@gmail.com

The mission of the Boys and Girls Club of Carbon County is to inspire youth, families and the community to realize their full potential as productive, responsible and caring citizens. We will provide a fun, safe, supervised environment where boys and girls can develop the self esteem and qualities needed to become productive community leaders and members.

Activities include our "Triple Play" fitness program, gaming room, summer reading program, healthy cooking skills lessons, photography workshop, access to our computer lab and even weekly hiking trips!

You can visit The Club at:
130 North 200 East
Price, Utah 84501

The Benefits of Recreation

What is your fondest childhood memory? For more than 90 percent of all people, that answer involves a recreation activity. Whether it's the game-winning home run or a family camping trip, recreation plays an invaluable role in the life of every person. Here at Carbon Rec, we attempt to offer programs for everyone. Our mission is to provide recreation and lifelong learning opportunities to every resident of Carbon County. While we will never accomplish that goal, we will never quit trying.

I've been at Carbon Rec for over 23 years. Sometimes it's been difficult. I don't like being yelled at any more than anyone else, but, that's happened only a few times in those 23 years. For the most part, I think people appreciate what we have been able to build and accomplish. My staff takes pride in offering a diverse recreation program. Have you been to Range Creek and 9-Mile Canyon? Do you want to be a photographer? Have you ever wanted to climb the wall at International Days? Have you ever completed a 5K?

Well, perhaps it's time.

If you look through this entire program guide and find nothing you want to do, I want to talk with you. What can we offer that would interest you? Over the years I have heard people say there's nothing to do in Carbon County. I suggest that if you look through this guide and find nothing to do, perhaps it's because you really don't want to do anything . . .

Carbon and Emery Counties have been inhabited for thousands of years. Join guides Layne Miller and Juanita McEvoy as they explore this incredible area. The San Rafael Swell is home to Barrier Canyon Rock Art, dating back thousands of years. 9-Mile Canyon and Range Creek Canyon are famous for being the home of the Fremont culture, which mysteriously disappeared from the area about 800 years ago. 9-Mile Canyon is often called "The Longest Art Gallery in the World." Range Creek is called "The Secret Canyon." It was kept from the public until it was sold to the State of Utah in 2003. Carbon County Recreation has been doing tours in 9-Mile Canyon for more than 20 years and has shown this incredible place to thousands of people. Carbon Rec is the predominant outfitter in Range Creek, initiating tours there in 2005. Carbon Rec has taken over 1,000 people to Range Creek.

Join guide Layne Miller for all the stories of these unique places.

Range Creek & 9-Mile Canyon Weekend Special Sept. 26-28

Book a Range Creek tour on **EITHER** Sept. 26 or 27 **AND** the 9-Mile Canyon Tour on Sept. 28 **AND** stay at 9-Mile Ranch and Carbon Rec will provide your meals. You are on your own for accommodations. 9-Mile Ranch offers rooms, cabins, and camping. You are welcome to bring your RV. Call 9-Mile Ranch to book your stay, 435-637-2572.

Cost: \$125 for both tours, plus lunch both days and dinner Saturday evening and breakfast Sunday morning.

If you choose to book your Range Creek tour on Sept. 26 (Friday), you'll be on your own to explore the area on Saturday before joining the group for dinner Saturday evening and the 9-Mile Canyon tour on Sunday.
